

Integration Point Sponsors Educational Webcast — The ABCs of FTZs: Making Foreign-Trade Zones Work for You

Charlotte, NC, April 20, 2010 – Integration Point, Inc., a provider of Foreign-Trade Zone (FTZ) software and global trade management solutions, announces the most recent webcast in its educational webcast series will focus on US foreign-trade zones (FTZ). The webcast, which will take place on Tuesday, April 27th at 2:00 p.m. EST, will feature Domenick Gambardella, Partner at PricewaterhouseCoopers, LLP, and a Past President of the National Association of Foreign-Trade Zones (NAFTZ), as the speaker. There is no cost to attend this webcast and registrations can be completed at www.IntegrationPoint.com/webcasts/FTZbenefits_registrations.html.

During this one-hour educational webcast, Mr. Gambardella will discuss how companies of all sizes can benefit from participating in a FTZ. Key points that will be covered include:

- What is the US FTZ program — a brief overview
- How to calculate FTZ operational savings
- How to get a company started with an FTZ
- What to expect during the FTZ application process

“The benefits of participating in a foreign-trade zone for any company are very compelling, especially in today’s economy,” said Mr. Gambardella. “I am looking forward to sharing my knowledge and experience in making FTZs work for companies. Anyone that has considered participating in an FTZ or is considering it now, should make plans to attend this webcast — it will have something for everyone.”
