

Integration Point Recognized by Supply & Demand Chain Executive for Helping Customers Proactively Manage Global Trade

Charlotte, NC, July 1, 2009 – [Integration Point[®], Inc.](#), a provider of global trade compliance solutions, has been recognized in 2009 Supply & Demand Chain Executive 100. The 2009 Supply & Demand Chain Executive 100 are supply chain solution and service providers that are helping their customers and clients both respond to the downturn and, more importantly, position themselves for growth ahead. The goal with the "100" is to highlight a broad range of solutions and services targeted at a variety of industries, addressing the needs of companies of varying sizes, and assisting in the transformation of the diverse mix of the functions that make up the supply chain.

Tom Barnes, Integration Point CEO commented, "We are pleased to be recognized by Supply and Demand Chain Executive for our work in global trade compliance. Integration Point strives to provide our clients with the tools necessary to maximize cost savings while improving compliance and visibility globally."

By using Integration Point to manage their Global Trade Management needs, importers and exporters can save time, avoid potential errors and reduce costs while adhering to Customs and other trade requirements. These saving reflect on companies bottom lines in a number of tangible ways: from optimizing staff utilization, to avoiding penalties, to making cost-saving trade decisions.

As business improves and organizations race to increase their flow of products, Integration Point customers can easily grow their SaaS-based capabilities by adding desired functionality with minimal disruption to the business. They can take advantage of trade related cost savings today while positioning themselves for future trade expansion.
