

Supply & Demand Chain Executive Recognizes Integration Point for Helping Customers Reach Supply Chain Excellence

Charlotte, NC, May 26, 2010 -- [Integration Point®, Inc.](#), a provider of global trade compliance and management solutions, has been recognized in 2010 Supply & Demand Chain Executive 100, "Supply Chain: Back to Basics and Beyond – In Search of the Roots of Supply Chain Excellence." Organizations in the Executive 100 are supply chain solution and service providers that are assisting their customers in achieving supply chain excellence and helping prepare their supply chains for the post-recessionary return to growth.

Companies utilize Integration Point Global Trade Management solutions to attain supply chain excellence through automation of processes, sharing of data and connecting with supply chain partners via the web. Integration Point consistently provides flexible and reliable technology to facilitate the management of increasingly complex global trade compliance. Members of the trade community can save time, avoid potential errors, and reduce costs all while adhering to Customs and other government agencies requirements.

"As Global trade expands, companies need the tools to operate in the most efficient manner possible," said Tom Barnes, CEO of Integration Point, Inc. "We are committed to continue expanding our Global capabilities in order to best facilitate trade."
